## MISCELLANEOUS MAPS

### MAPS AT NET BIBLE (Bible.org)

This is an interesting tool which links the Biblical place names with the corresponding Scriptural references. In the 3 categories below you can hold the mouse pointer over the **Place Name** to see Bible passages that mention that name and if you want more information click the actual place name which links to an compilation of Bible dictionary articles all on one page! Very handy. Below are the 3 subdivisions.

### **Biblemapper**

**Bible Mapper** is a fully interactive, highly accurate Bible mapping system that helps you quickly and easily create customized maps of the Holy Lands or study a particular period and aspect of Bible history. **Interesting tool!** Many of the maps in the next site are made using "Biblemapper" [See Bible Mapper Gallery](#)

---

### **Bible Maps for every OT and NT location**

These color maps are attractive and include two interesting features: (1) Scripture references in which the place name is found (some entries have all the Scriptures, others only representative entries) and (2) Bible Dictionary article (International Standard Bible Encyclopedia) describing the specific name. Very nice tool!

### [Timeline - Primarily Historical Events](#)

Click the link above - the page that opens has **atimeline** at the top of the page. This timeline deals primarily with historical events related to Christianity beginning in AD 1-300 (a few events in the 6000-1BC tab). Click the tab of the date range you are interested in and then click on specific people or events. Interesting especially for us history aficionados. From Christian History Institute.

### [The Glory Story - The Bible in Pictures from Genesis to Revelation](#)

Genesis to Revelation in still pictures & text, to tell the Bible story! Down load, print, publish, power-point project the pictures!

These pictures are originals and from my brief review (comparing the actual picture to what the Scripture states) appear to accurately picture the people, places and events in God's Holy Word.

**RECOMMENDATION:** This would be an excellent tool to supplement your Sunday School class. Another powerful use of these pictures would be in presentation of the gospel cross culturally (short term or long term mission trips, to hidden peoples who do not yet have the Scriptures in their language or for that matter lack an actual written language!)

**Google Search** - Another source I have found helpful searching for images is the [Google Image Search](#). E.g., type "*Abraham Genesis*" (Note - do not include quotation marks) which retrieves over 100 images. As of 4/18/05 the number of image hits matching Abraham Genesis has increased to 708 (and this is using the preference Moderate Safe Search is on.). The images retrieved include classics by Rembrandt, Michelangelo, etc.

Remember - do not include quotation marks - any phrase in quotation marks produces a search for that exact phrase whereas words without quotation marks will search for a combination that includes all the words on one page. E.g., if you type "Galilee map" in Google and keep the quotation marks, you will retrieve 103 hits on Google Image search. Now type the same two word but this time remove the quotation marks and you retrieve 36,800 hits! (Both with Moderate SafeSearch on - searching without a filter is **not** recommended!)

In addition to the Google "Image" search engine you can also occasionally find other maps and pictures by using the regular Google search. For example, type in "*Ephesus*" into Google and retrieve over 241,000 hits (as of 7/22/03), this number increasing to 686,000 as of 4/18/05 and 3,060,000 (9/17/07)! The number one hit remains [Ephesus, Turkey: Panoramic pictures of Ephesus](#) - click it for a well done Virtual Tour of Ephesus which is the best preserved archeological site of the 7 churches of the Revelation. But be a [Berean](#) (Acts 17:11-note) **examine everything** carefully; **hold fast** to that **which** is **good**; **abstain** from **every form** of **evil** (1Th 5:21, 22-notes) (Notice that all three verbs are not suggestions but commands calling for this to be our habitual attitude and action = **present imperative**)
